

Call for Participation

We invite you to join us in **12th International Conference on Computer Science and Engineering (CSEN 2025)**.

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computing. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on Computer science & Computer Engineering advancements and establishing new collaborations in these areas. Original research papers, state-of-the-art reviews are invited for publication in all areas of Computer Science & Computer Engineering.

Highlights of CSEN 2025 includes:

- 11th International Conference on Software Engineering and Applications (SOFEA 2025)
- 11th International Conference of Control Theory and Computer Modelling (CTCM 2025)
- 11th International Conference on Signal Processing and Pattern Recognition (SIPR 2025)
- 11th International Conference of Networks, Communications, Wireless and Mobile Computing (NCWC 2025)
- 6th International Conference on Big Data, IOT and Blockchain (BIBC 2025)
- 6th International Conference on Data Science and Machine Learning (DSML 2025)
- 6th International Conference on Education and Integrating Technology (EDTECH 2025)
- 14th International Conference on Natural Language Processing (NLP 2025)
- 12th International Conference on Artificial Intelligence & Applications (ARIA 2025)
